18	Prof. Dr. H. U. Tiwari Principal, Pimpri Chinchwad College of Engineering & Research.	Member, Secretary

Principal Dr. H. U. Tiwari welcomed Hon. Chairman, all trustees, CDC members and special Invitees present. Meeting started with the permission of Hon. Chairman Shri. D.P. Landge.

Leave of absence granted to – Smt. Padmatai Bhosale, Shri. S.D. Garade, Dr. Girish Desai and Dr. A. M. Fulambarkar.

Following points were discussed in the meeting as per the agenda –

1. To Confirm the Minutes of the last meeting held on 10th May 2019 -

Principal Dr. H. U. Tiwari read minutes of last College Development Committee meeting held on 10th May 2019 and the minutes were confirmed with the permission of the Chairman.

2. Review of Admission of First and Direct Second Year Engineering for the A. Y. 2019-20 –

Principal put forth the Admitted student data of all Year for the academic year 2019-20. He further told that, 287 students are admitted to First Year and 78 students admitted to Direct Second Year. He told that College is at 3rd position considering the cut off for Computer department. Also he further added that the cutoff of other departments is among top 6th. He told that we have 1355 students on roll including all branches of all Years. All committee members expressed satisfaction over the overall status of admissions.

Shri V.S. Kalbhor inquired about the reduction in intake of Mechanical Engineering. Shri.

C.S. Dhamankar suggested not to decrease the intake of Mechanical Engineering, as the branch is evergreen core branch. Prof. Dr. C.M. Sewatkar also suggested to see the international Trend before any decision. Principal concluded that we will wait for one year, as many more new branches like Artificial Intelligence, Electrical Vehicles are to be launched by Central Government and AICTE.

3. Review of Academics and University results.

Principal Dr. H. U. Tiwari gave information about some best practices like 10 minutes Yoga session which is daily conducted in College and is really beneficial to all students in view of academic and overall discipline.

The department wise results were put forth and discussed by HODs of respective departments. Principal also explained about Academic monitoring system and other academic practices of the College

Department	First Year		Second Year		Third Year		Final Year	
	2017-18	2018-19	2017-18	2018-19	2017-18	2018-19	2017-18	2018-19
Academic Year								
First Year	63.35	66	-		-		-	
Mechanical	-		58.33	64.03	64.23	66.19	93.94	98.52
E & TC	-		60.53	76.81	66.23	87.84	93.18	94.52
Computer	-		78.95	72.60	85.14	93.06	100	98.61
Civil	-		45.16	47.30	42.86	71.19	100	96.83

First Year HOD Asst. Prof. Sonali Kanase put forth the result of First Year Engineering. She told that College stood 4th in University results among all Colleges in SPPU. She further told that quality of students is also improved and faculties are taking extra efforts to improve results. The Principal added that the results are continuously improving in last years.

Hon. Shri V.S. Kalbhor inquired about student's attendance and detention. HOD told that overall Students attendance is satisfactory. The committee appreciated the F.E. results and congratulated the F.E. HOD & team.

Mechanical Engineering HOD Dr. Sham Mankar put forth the Mechanical Engineering department year wise results. He told the committee there is overall improvement in S.E. to

B.E. results. He further told that the development have a good repo with Parents and about the overwhelming response of Parents for Parents meeting and other activities.

E&TC Engineering HOD Dr. Rahul Mapari put forth the E&TC Engineering department result year wise and he further told that the results are improved by distinct difference both by quality and quantitatively. He further gave information about various product development activities like Humanoid Robot, Electric bicycle, lift etc. He thanked all Trustees for giving sponsorship to the projects and he also added that due to this unique approach and PBL activity overall project quality is improving.

Computer Engineering HOD Dr. Archana Chaugule put forth the Computer department result year wise. HOD told about the efforts taken by all faculties. She further gave information that some students from the department are honored by Mr. Nitin Gadkari Min. Road Transport & Highways. Committee members appreciated the efforts taken by all faculties.

Civil Engineering HOD Assoc. Prof. Sameer Sawarkar put forth the Civil Engineering department result year wise. The HOD told the committee that there is overall improvement in results also added that the results and overall improvement of students and faculty is happening in the department. The committee expressed satisfaction.

The Principal summarized the point of Academics and University results. The chairman and the committee congratulated the Principal and appreciated the PCCOE&R team.

Hon. Shri V.S. Kalbhor suggested to compare the result with PICT. Principal assured all Trustees that all departments are already working hard to improve results further. He told the committee that dedicated team efforts of the faculty and HODs is the key for consistent academics growth and overall improvement in University results.

4. Review of Student and faculty development activities -

Principal put forth the various Student development activities carried out in College. Principal told that various activities were conducted under each department's student association to showcase and improve technical as well as non-technical skills. Various Cells and clubs are formed like GATE preparation Cell, Competitive Exam Preparation Cell, Higher Education Cell, Various students' clubs. Java Training Program, Industrial Training Program.

He further told that Computer Engineering students won the first prize of Rs.50,000/- in Smart India Hackathon at Bhubaneshwar and IEEE students team won the first prize of Rs.20,000/- IEEE TDCS Event Conducted at MIT WPU, Pune. He told some special achievement of students in sports, NSS and Art Circle activities.

Principal gave information about one week orientation program conducted for First Year Engineering students as per AICTE guidelines and same for direct second year admitted students for one full day. He told about good response to the Induction program for First and Direct Second Year Engineering students.

Principal gave information about Staff Development activities like Conference, Workshop and FDP attended by faculties. He further told about staff special achievements and various activities conducted for staff like stress management meditation, one day picnic etc. Shri. C.S. Dhamankar gave information about Indo German Course at Mumbai and told that the course is very much beneficial to students in view of placement. Principal gave information about the integrated course conducted under Internship activity.

5. Review of T&P activities and Placement –

Principal put forth the various Training & Placement activities and sessions conducted for improvement of Technical, Communication, Professional, and Aptitude skill. Hon. Shri V.S. Kalbhor inquired about the Central Placement Cell. Principal told that the placements are very good for the last two batches. Prof. Sewatkar asked about core company placement. Principal told that the number is very less and the College and department of Mechanical and E&TC are trying to get better core placement. HOD Mechanical and HOD E&TC told about other additional efforts of Department to improve core Company placements. He further explained that we should find out the Industry requirement for quality placement.

6. Review of Research & Innovation activities -

Principal put forth the strategic approach to inculcate research and innovation attitude among students as well as faculties. He also gave information about various research & development activities carried out in College for the same. Further, he gave information about PBL- Project based learning for FE to BE students. He further gave information about upcoming National Conference on Innovation Patents Copyrights and Start-ups which will be the unique event.

Plot No. B, Sector No.110 (P), Laxminagar Ravet Pune.

He further elaborated the various product development initiatives like Kiosk system developed by Computer Department for Library, Electric Cycle, Drone and Biometric Controlled Lift developed by E&TC Department, CNC 2D Plotter using Arduino, Water Level Indicator developed by Mechanical Engineering dept. Electric Bike Manufactured by E&TC and Mechanical Department. Removal of Water Hyacinth from Perennial Streams by Using Modern Techniques by Civil Engineering Department. Mobile Assistant: "PCCOER COMPITRON" Developed by Department of Computer Engineering. He also told about some Products under development.

Principal gave information regarding revenue generation from various Consultancy services in each department. Principal further told that Research & Innovation is the distinct feature of PCCOE&R and the Institute is taking efforts to establish itself as a reputed Institution in this front. The chairman and committee members congratulated Principal and the team for the efforts.

7. Incubation, Entrepreneurship & start up policy finalization -

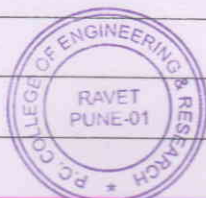

Principal put forth the Incubation, Entrepreneurship & start up policy; the policies were reviewed by all. Principal further discussed about the revenue earned through the Incubation, Entrepreneurship & start up policy. He told that, as per policy the ratio of revenue distribution is 70:30 i.e. 70 % to the PI and the Team and 30 % to the College in case College Facilities are used. Prof. Dr. C.M. Sewatkar told that the ratio is 80:20 in COEP. Principal said as the College is private and this policy is formed for first time therefore the ratio is 70:30 afterwards we can change it. All committee members approved the policy.

8. Review of Expenses incurred till 31st August 2019 and revised Budget for the A.Y. 2019-20

Principal put forth the expenses incurred till 31st August 2019 and revised Budget for the A.Y. 2019-20. All committee members viewed and approved the same.

9. Review of NBA Preparation -

Principal put forth the current status of NBA. He told that we have done the self appraisal of all departments and put forth the marks of SAR. Further he also explains the strong and weak areas of Institute. He gave information about the 3 major steps of NBA and told that Institute will go for SAR in December 2019. Principal assured all committee members that Institute will definitely get 3 years accreditation. Principal and HODs told that first draft of
