

150 book in demand abusing and Mol stations

Bhagwa master in Akurdi, which is an automatic railway station. For public convenience, there should be at least one station master."

EXPRESS NE On August 6, Prime Minister
PUNE, AUGUST Narendra Modi laid the foundation

THE PUNE City stone for three stations within
around 150 per cent of the Pune division as part of the
abusing Pri ABS inauguration. Among the
Narendra Modi three stations selected for redevelop-
ment was Akurdi with an es-
timated budget of Rs 35 crore.

"Akurdi has around six educa-
tional institutes and is the busiest
station. As the station gets a signif-
icant number of student passen-
gers, a station master should be
employed here," said Chandratre.

According to Divisional
Commercial Manager (DCM)
Ramdas Bhise, the issues that have
been raised by the AISMA are ad-
dressed from time to time and the
remaining issues will be resolved
shortly. "Concerns regarding ba-
sic amenities have been fulfilled
consistently as per the require-
ment. We are looking to resolve
the issue of separate changing
rooms for the women station
masters," said Bhise.

As per the data provided by
the DCM, there are a total of 355
posts of station masters sanc-
tioned for 55 locations under
Pune division, of which 306 posts
have been filled out while 49 are
still vacant.

No arrests
have been filled out while 49 are
still vacant.
