Report on AI Workshop Participation

Title of Workshop: AI in Education: Role of Teacher

Date: August 28, 2024

Venue: Noorya - Business & Banquet Hotel, Pimpri-Chinchwad

Participants:

1. Dr. Rashmi Mishra
2. Ms. Ekta Jawale
3. Ms. Ishtpreet Kaur

Organized by: ICFAI Business School (IBS)

The faculty attended a one-day Faculty Knowledge Sharing Programme focusing on the integration of Artificial Intelligence (AI) in education and the evolving role of teachers in the AI-driven learning environment. The workshop covered diverse AI tools and applications, including:

- **ChatGPT:** Explored its capabilities in summarizing text, generating ideas, and assisting with document formatting.
- **Google Colab:** Demonstrated its use as a code generator, especially beneficial for engineering students.
- **AI for Data Analysis:** Discussed advanced tools like Indico AI for processing and analysing data.
- **Clipchamp:** For video creation and editing.
- **Bland AI:** For automated call generation.
- **Gamma AI & Slides GPT:** Tools for quick and creative PPT creation.

- **Natural Reader:** Converts text to audio for accessibility.

The workshop emphasized leveraging AI to enhance teaching effectiveness, streamline administrative tasks, and enrich the learning experience for students. The sessions provided insights into practical applications and encouraged interactive discussions.

Conclusion:

The workshop was highly beneficial in understanding the role of AI as a supportive tool in the educational domain. It highlighted strategies for effectively integrating AI into academic and administrative practices.
