Report on: Cyber Security

Date: 1 August 2025

Time: 11:00 AM

Venue: PCCOER

Organized By: PCCOER College Department of BBA

A cyber security awareness session was organized at PCCOER college, Ravet, on August 1, 2025, for the BCA and BBA departments. The guest speaker was PSI Prakash Katkade, a cyber expert from the Crime Branch, Pimpri Chinchwad. PSI Katkade, who holds an M. Com degree and was selected as a PSI in the 2017 MPSC exam, has a notable career history. He was posted at the Nashik Police Commissionerate from 2020 to 2024 and has been with the PCPC since 2024. With five years of experience working as a PSI in police stations and one and a half years in cyber-crime, he has been instrumental in the arrest of over 150 accused in the last 10-11 months alone.

The session began with an introduction of the guest by Teesha (BBA). She then requested the principal to felicitate PSI Katkade. Following the felicitation, Rameshwari (BCA) took over and invited the guest speaker to commence the session.

During the session, PSI Prakash Katkade delivered a comprehensive presentation using a PowerPoint, focusing on cyber-crimes prevalent on social media platforms. He detailed various types of frauds and scams that users might encounter. More importantly, he provided practical advice and strategies on how to protect oneself from these cyber threats. To further assist the students, he shared crucial helpline numbers and resources to report cyber fraud and seek assistance. The session was highly informative and aimed at equipping the students with the necessary knowledge to stay safe in the digital world.
