**Report on Educational cum Recreational Visit**

**Date:** 24th April 2025

**Venue:** Bhaja Caves and Wet N Joy Water Park, Lonavala

**Organized by:** Department of BBA

**Faculty Coordinator:** Mr. Lakshay Goyal

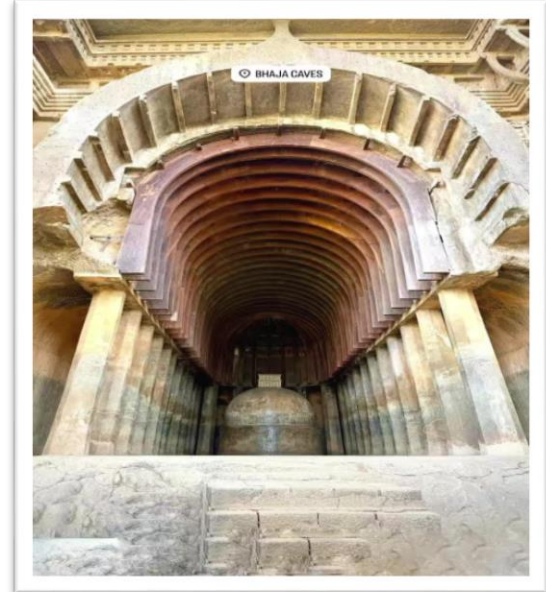

The Department of BBA organized an educational cum recreational visit for first-year students on 24th April 2025 to Lonavala, with the objective of providing experiential learning beyond the classroom environment.

The first destination was **Bhaja Caves**, an important archaeological site known for its ancient Buddhist rock-cut architecture. The purpose of this visit was to enable students to understand India's rich historical and cultural heritage, and to gain insights into early architectural practices, religious life, and trade systems. The visit provided a meaningful exposure to ancient Indian civilization and its continuing influence.

Subsequently, the students proceeded to **Wet N Joy Water Park**, where they participated in an informative session conducted by the park authorities. The session focused on key aspects of hospitality and tourism management, including customer service, safety protocols, event coordination, and revenue generation. This interaction helped student's correlate theoretical knowledge with practical business operations.

The latter part of the day was dedicated to recreational activities, which encouraged team spirit, relaxation, and peer interaction. Overall, the visit successfully integrated academic learning, industry exposure, and recreation, resulting in a holistic educational experience for the students.
