Induction Program Report

The day started with welcoming the students and parents on Campus. The registration desk was buzzing with students collecting the kits and then settling into the Auditorium. The event started at 10 am sharp with Lighting of the lamp and warm welcome of our esteemed guest speakers of the day.

The invited guest speakers were from IT and business sectors. We were fortunate to have Mr. Narsingh Lagad – an Advocate, a social activist and an environmentalist working for many social causes, Mr. Advait Lele – Head delivery risk with a popular IT MNC company in Hinjewadi, Mr. Rahul Sailwal – Software Architect, Mr. Saurabh Salaskar – QA Specialist and Prof. Dr. S. Rawandale Sir – Dean Training and Placements at PCET. We also had Prof. Dr. Mapari – HOD and acting Principal of PCCOER, Mr. Yeole – Registrar PCCOER and other HODs from PCCOER at the function. A few special guests were Dr. Sandip Patil – Principal SB Patil Jr. College, Dr. Ketan Desale – Head DM Team at PCET, Mr. Ashim Pathak – Head TP @ SBPIM and Mr. Ashok Arali – Parent Alumni PCCOER.

We were happy to play the video recording sent by Prof. Dr. H. U. Tiwari for the Welcome Address by our Principal Sir for all the Guests, Parents and Students.

Next Dr. Smriti Pathak – HOD BBA/BCA Department welcomed the Guests, parents and students on behalf of PCCOER for their time and presence during the program.

After the welcome address, we started with the guest speeches where Mr. Rahul Sailwal was the first speaker who is also a BCA graduate and told the students to identify and focus on developing any skills needed for their future work.

Mr. Saurabh Salaskar was the next speaker who talked about focus and determination and also to have a hobby along-with the course to be stressfree.

The thirist speaker for the day Mr. Advait Lele talked to students about making their profile strong and keep reading and updating themselves keeping abreast with everything new.

Mr. Narasingh Lagad discussed the importance of time in the students life and how they can plan and manage that aspect. He also emphasized that studies play an important part in one's career and how time and study go hand in hand.

We had a very renowned speaker from our PCET Prof. Dr. S. Rawandale Sir to talk about the the training and placement opportunities available for BCA students. Sir talked about the selection process preparation, websites where the students can start and earn scores and also online internship providing websites.

Next we had a parent Alumni PCCOER who agreed to discuss with the audience his experience of the institute, journey of his 2 daughters in the institute and the placement available.

Later we had Mr. Ashim Pathak from SBPIM to talk about the training and placement opportunities available for BBA students

At the end we had Prof. Dr. Mapari Sir who motivated and encouraged the students for a great path ahead at PCCOER

We ended the program with a vote of Thanks to Guests, Parents and all attendees and proceeded for lunch arranged at PCCOER campus. A few random pics

We also organized a Treasure Hunt Activity for all students post lunch so that they know the campus and institute. We had 8 teams and 8 clues. Every team had a TL and an awesome name selected by the team. The team was required to find the college room – with each clue and then return back to find the treasure. The activity was loved by all and helped building friendships on the first day. A few glimpses
