DR. PROF. HARISH TIWARI

Principal at the PCCOER

PCCOER

It is my pleasure to welcome all students, faculty, and parents to the Pimpri Chinchwad College of Engineering and Research (PCCOER), a proud institution under Pimpri Chinchwad Education Trust (PCET). Since its inception in 2014, PCCOER has grown remarkably, and in 2024, we introduced two new branches—BBA and BCA. These programs serve as platforms for shaping future leaders in business and technology.

This special edition of our college magazine celebrates the vibrant spirit of Business Administration and Computer Applications. It showcases the creativity, talent, and dedication of our students and faculty through academic highlights, co-curricular achievements, and real-world learning initiatives like seminars and workshops. We aim to nurture confident and capable professionals through a blend of academic excellence and practical exposure. I wish all our students an enriching journey filled with knowledge, growth, and success at PCCOER.

HOD's Desk

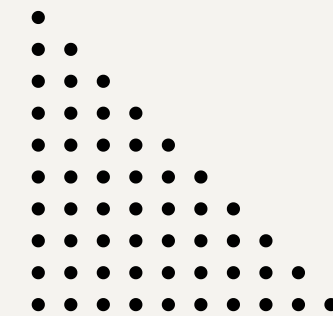

DR. SMRITI PATHAK

HOD of The BBA-BCA Department

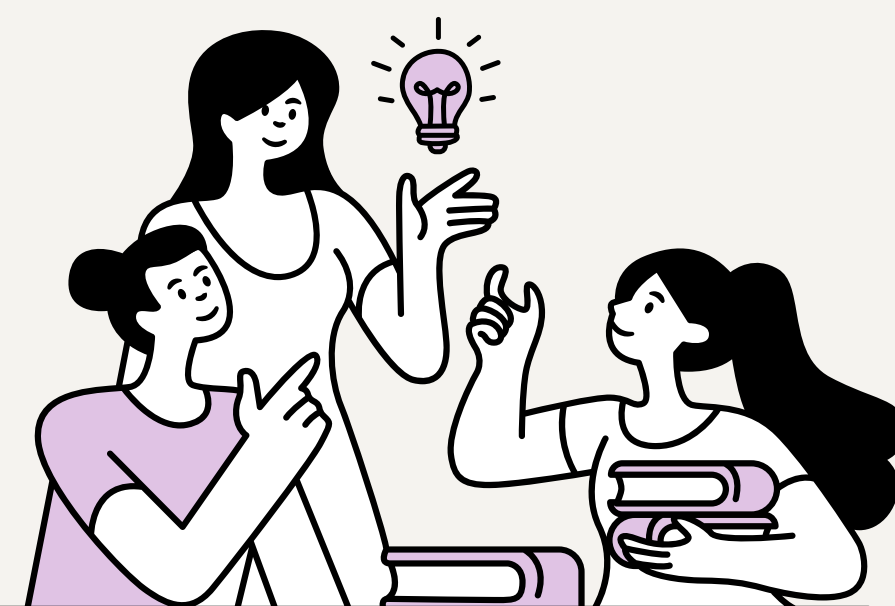

PCCOER

Warm greetings to all students, faculty, and stakeholders of the BBA and BCA departments. Our programs are designed to empower students with the knowledge, skills, and mindset needed to excel in the fields of business and technology. The BBA program focuses on cultivating leadership, strategic thinking, and managerial acumen, while the BCA program builds a strong foundation in computer science and software development. Together, these disciplines offer a comprehensive and future-ready education. We emphasize experiential learning through projects, internships, workshops, and seminars, ensuring students gain practical insights along with academic excellence. Our experienced and committed faculty members are dedicated to guiding students in their academic and personal growth, fostering innovation, professionalism, and ethical responsibility. With advanced infrastructure and a supportive learning environment, we strive to shape individuals who are confident, competent, and industry-ready. I extend my best wishes to all students for a fulfilling and successful academic journey.

INTRODUCTION TO

BBA-BCA DEPARTMENT

VISSION

Vision - The Department of BBA and BCA aims to become a premier center for business, technology, and research education by preparing confident, creative, and socially responsible, who are ready to serve the needs of society and associated stakeholders.

MISSION 1

To provide quality education that builds strong knowledge, critical thinking, and problem-solving skills in business and technology.

MISSION 2

To inspire students to explore new ideas and use the latest technologies to develop innovative solutions in management and computer applications.

MISSION 3

To develop practical, entrepreneurial, and technical skills that prepare students for successful and meaningful careers worldwide.

MISSION 4

To nurture ethical values and a sense of social responsibility, encouraging students to become responsible professionals who contribute positively to their communities.

COEP

Visit To COEP

PCCOER

On 24th March 2025, students from the BBA and BCA departments of PCCOER College visited College of Engineering Pune (COEP) to attend a workshop on AICTE scholarship schemes. The event focused on various AICTE initiatives and scholarship opportunities tailored for students in professional undergraduate programs like BBA and BCA. The workshop aimed to spread awareness and provide detailed insights into the application procedures, eligibility criteria, and benefits of these schemes. AICTE officials were present to address queries and provide official guidance. The session was led by Dr. Abhay jere, Chief Innovation Officer, Ministry of Education (MOE), Government of India, who delivered a keynote speech emphasizing the role of innovation, government support, and financial assistance in higher education. The visit was informative and beneficial, helping students understand how to leverage available government schemes to support their academic and professional growth.

TRAIL TO WELLNESS

BBA TREK TO DURGA TEKDI

For Hiking

Maintaining a balance between theoretical knowledge and practical experiences is essential for holistic development. As a part of physical education, a trek to Durga Tekdi was organized on 5th April 2025 for BBA students. This initiative not only provided them with exposure to nature and the environment but also helped them assess their physical stamina. The experience highlighted the importance of incorporating regular physical activity into their routines to maintain a healthy lifestyle. Additionally, the trek encouraged interactive conversations among students, fostering stronger bonds and enhancing their communication skills.

AMITY : OPPORTUNITIES BEYOND CLASSROOM

2025

An excellent opportunity was provided to the students of BBA and BCA by Amity Global Business School, Pune, where students from both streams actively participated and proudly represented our college on 12th April 2025. The event featured a variety of competitions designed to enhance students' knowledge and expose them to fresh perspectives and innovative ideas from peers across different institutions. This platform enabled students to explore concepts related to startups and creativity, thereby broadening their understanding beyond the classroom. Moreover, the experience emphasized the importance of effective communication and the value of building meaningful connections with others, both of which are crucial for personal and professional growth.

A trip to Wet and Joy was organized for BBA students on 24th April 2025 to provide them with a much-needed break from their daily academic routine. The primary objective of the trip was to promote relaxation and foster stronger bonds among students. It also aimed to enhance their mental well-being and encourage social interaction, which is especially important for BBA students who need to develop strong interpersonal and communication skills. Ultimately, this trip served as a memorable and enjoyable experience that students will cherish as a positive highlight of their college journey.

SYLLABUS RESTRUCTURING WORKSHOP FOR SECOND YEAR UG PROGRAMS (2025-26)

Dr. Rashmi Mishra and Mr. Lakshay Goyal from the BBA Department attended a Syllabus Restructuring Workshop on 27th May 2025 at MMCC, Pune. Held in collaboration with the SPPU Board of Studies, the workshop aimed to revise the Second Year BBA, BBA (IB/CA), and B.Com (BM/IB/CA) curricula in line with NEP 2020 and Outcome-Based Education. Key themes included curriculum modernization, skill development, interdisciplinary learning, and employability. Faculty worked in subject-wise groups to enhance course design, teaching methods, and assessment. Their participation reflected PCCOER's commitment to academic excellence and innovation for the 2025-26 academic year.

Foundations & Future of Web Development: A Real-world Perspective

The seminar provided valuable insights into the current and future trends in web development. Experts Mr. Priyanshu Kukkar and Mr. Neeraj Kulkarni helped students gain a clearer understanding of the field. The BCA Department thanked the speakers and expressed interest in hosting more such events.

Application Development in the Real World: From Idea to Execution.

The BCA Department at PCCOER hosted a seminar titled "Application Development in the Real World: From Idea to Execution" on 24th May 2025. The session aimed to bridge the gap between classroom learning and practical application development. Students gained valuable insights into the complete journey of building real-world apps—from ideation to execution.

Report on UI/UX Design:

On 29th April 2025, department of BCA organized guest lecture on the topic " UI/UX Design: Designing with Users in Mind " was conducted for FYBCA students. The event was divided into two main sessions, each led by an expert speaker. The first session covered animation, VFX (Visual Effects), and design by MR. Tonmay Nag, while the second session focused specifically on UI/UX design principles and strategies by Mr. Indranil Paul.

Interfacing of 8051 and Introduction of Embedded C

On 29th April 2025, department of BCA organized guest lecture on the topic " Interfacing of 805 and Introduction of Embedded C" was conducted for FYBCA students. The lecture was delivered Mr. Sangmeshwar Kendre, who is a renowned mentor for IOT & Embedded Systems. The session aimed to provide an overview of microcontrollers & Embedded C programming.

BAARISH AUR TUM...

HAR PAL MUZE BAARISH KA INTEZAAR
REHTA HAI,
KYUN KI TU BILKUL USKE JAISA HAI.
WO KAALI GHATAYEIN,
TERI KAATIL ADAEIN...
WO BOONDON KI BAUCHAAR,
TERA MUZPAR BARASTA PYAAR...
WO THANDI HAWAEIN,
TERI ITRAATI NIGAHEIN...
WO BIJALI AISI CHANCHAL,
JAISE CHALAKTA TERA ANCHAL...
EK KAVITA MAIN IN BOONDON KO KAISE
MAIN KAIID KARU?
EK KAVITA ME TUZE KAISE MAIN BAYAAN
KARU?

~ Sanika Bhosle

BCA

RANJISH MEIN BHI DOSTI

EK DOSTI THI, JO THODI KHAFI HO GAYI,
HANSI KE BEECH, EK SALAH BHI JUDA HO
GAYI.
JO KABHI DIL KE KAREEB THA,
AAJ KUCH ALAG, KUCH AJEEB SA HO GAYA.
DIL KE KISI KONE MEIN BAAT RUKI THI,
PAR AANKHON NE MUSKAAN SE BAAT KEH DI.
WAHI DOST, WAHI YAARI KI ROSHNI,
PHIR BHI KUCH DER, KUCH ANDHERA SA THA
KAHIN.
CHHOTI CHHOTI BAATEIN, DIL PE BOJH NA
BANNE DE,
RISHTE KI ROSHNI, PHIR SE CHAMAKNE DE.
RAASTE MEIN ULJHAN HO TOH KYA,
DOSTI TOH MANZIL BHI HAI, AUR HUMSAFAR
BHI YAHAN.

BBA

The pursuit of unknown

There's something painfully beautiful about choosing to leave the people you love in pursuit of the unknown leaving the safe space of home in search of something different because in the end we can not become what we want by remaining what we are...

Rameshwari Nikam

More Than Just Older

Are we aging, year after year? And when did shadows stop sparking fear? Time moves on, so quietly, so fast it is wisdom now, or just echoes of the past? The daylight fades, then turns to dusk, Right and wrong blur into hushed musk. What once lit sparks now calms the flame, As if we've outgrown the thrill of the game. With every candle, a step we tread, On paths of memories we've quietly led. Is it grace we gain, or chances gone? The dreams we chased or hearts we leaned upon? Like falling leaves and growing trees, We shift in silence only time sees. So here we stand, as years unfold, Not just older But stronger. Bolder. And quietly gold.

Saumya Mahale

The Chapters We Live

You can't skip chapters, that's not how life works. You have to read every line, meet every character, you won't enjoy all of it. Hell, some chapters will make you cry for weeks. You will read things you don't want to read, you don't want the pages to end. But you have to keep going. Stories keep the world revolving, live yours, don't miss out.

Diya Parmar

"छत्रपती शिवाजी महाराज"

शिवनेरी गडावर सोनेरी किरणांचा सडा शिंपला
थोर जिजाऊंच्या पोटी स्वराज्य रक्षक "शिवबा" जन्मला

करारी, धाडसी नेतृत्वाने पराक्रमांचा इतिहास रचला
लाभला "शिवछत्रपती राजा" पवित्र भूमीला

सत्याची ढाल बनूनी जिवापाड जपले भगव्याला
हिंदुत्वाच्या घेऊन मशाली तुडविले मुघल साम्राज्याला

निष्ठेच्या तलवारीने बळ दिले मावळ्यांना
शक्ती अन् युक्तीने संपविले खानाला

वीरतेचा भाला हाती जपले आपल्या रयतेला
सर्वधर्मसमभावाची देऊन शिकवण
गडकिल्ले जिंकून दिले स्वराज्याला

देव आमचा छत्रपती, मराठी बाणा ज्याने रुजवला
श्वासात रोखुनी वादळ कधी न गेला शरण शत्रूला

मूर्तिमंत, यशवंत, पुण्यवंत राजा जगती कुणी न जाहला
सिंहासनाधीश्वर "छत्रपती शिवाजी महाराज"
अभिमान आहे ज्याचा हिंदवी स्वराज्याला

भवानी मातेचा आशीर्वाद मिळाला
"हरहर महादेव" नारा भिडतो आसमंताला
वाकून मुजरा करतो आज आमच्या
"जाणता राजाला "

जय भवानी जय शिवाजी
