LEARNING FROM HOME

AY : 2020-21 SEM II

MESSAGE BY
HEAD OF DEPARTMENT

Dr. Sham H. Mankar (Associate Professor)

It gives me great pleasure to give my best wishes to Magazine, a newsletter from Department of Mechanical Engineering of Pimpri Chinchwad College of Engineering and Research, Ravet, Pune.

The Department of Mechanical Engineering has modern and well-equipped laboratories for hands on practical training to students. All the faculty members are duly qualified and experienced. We are committed to the pursuit of excellence. It is our goal to address the varying needs of our young students academically, socially, emotionally and by doing so, provide the highest quality educational experience to all.

As PCCOE&R believes in student centric four-pillar philosophy which includes academic excellence, research and innovations, training and placement, ethics and values. The students and faculties of department are always proactive in taking initiatives in technical, cultural and social events. We provide opportunities for students to participate in various technical and sports events /competitions.

This newsletter is an attempt to highlight the achievements of the department. I wish good luck to the entire team of editors. I hope that this newsletter will serve the purpose of reflecting all activities of department and it will inspire others to do their best.
