Date: 8th September 2026

NOTICE

Merit List - Round 3

CIWGC and Foreign National / PIO-OCI Category Admissions

This is to notify all concerned that the following Merit List for Round 2 of admissions has been prepared and is hereby declared for information of all applicants.

Bachelor of Engineering / Technology - Computer Engineering - CIWGC

Enrollment No	Application Id	Name	Category	PCM Marks	Percentage/ CGPA	Merit No
26911187	3062	Ishaan Harshal Mangaonkar	Foreign National	129	-	1

Instructions to Candidates (Round III)

- Candidates whose names appear in the above Round II Provisional Merit List must log in to the official portal <https://fn.mahacet.org> and exercise one of the options below between **09-09-2026 and 10-09-2026** (up to the last date). Failure to do so within this window will result in the candidate being excluded from the admission process, and the eligibility fee (USD 50) and one-time processing fee (USD 1,150) already paid shall stand forfeited and non-refundable.
- Candidates who exercised the **Betterment** option in Round I shall be considered for a seat of higher preference in this round. If allotted a better seat, the candidate must accept it and pay the balance of the final college fee through online mode; this becomes the candidate's final seat. If not allotted a better seat, the candidate shall retain the seat allotted in Round I and must pay the balance of the final college fee to confirm it as the final seat. In either case this is final – no further participation in any subsequent round, since Round II is the maximum wait for a candidate first allotted a seat in Round I.
- Option 1 – Seat allotted as per first preference:** The candidate must Accept the seat and pay the final college fee through online mode. This acceptance is final, and the candidate shall not be eligible to participate in any subsequent round.
- Option 2 – Seat allotted other than first preference, and candidate is satisfied (Freeze):** The candidate must Accept the seat and pay the final college fee through online mode. This acceptance is final, and the candidate shall not be eligible to participate in any subsequent round.

5. **Option 3 – Seat allotted other than first preference, and candidate wishes to be considered for a higher preference (Betterment):** The candidate must Accept the allotted seat with the “Betterment” option and pay the applicable part-payment of the college fee through online mode. A candidate exercising Betterment after Round II may be upgraded, or may retain the present seat, in Round III only – this is the maximum wait available to a Round II allottee. Note: if upgraded in Round III, the seat presently held will stand automatically forfeited and released.
6. All fee payments must be made strictly in USD, through the designated nodal account or directly to the college as applicable, on or before the deadlines specified above. The final college fee, once paid to confirm a seat, is non-refundable under any circumstances.
7. Candidates are required to upload/verify all supporting documents on the portal as instructed. Original documents must be produced for physical verification at the time of reporting to the College; admission stands provisional until document verification is completed by the College.
8. Candidates are advised to regularly check the College website and the <https://pcccoer.org> portal for further updates regarding the admission schedule, document verification, and fee payment process.
