

## ICETC 2025

# FIRST INTERNATIONAL CONFERENCE ON EMERGING TECHNOLOGIES AND COMPUTING

**CONFERENCE DATES : 6th and 7th February 2025**

**Hybrid Mode**

Conference website : <https://www.journalpressindia.com/website/pccoer-icetc2025>

## ABOUT THE CONFERENCE

The International Conference on Emerging Technologies and Computing (ICETC 2025) brings together experts, innovators, and thought leaders to explore the transformative impact of cutting-edge technologies on industries and society. In this rapidly evolving digital era, technologies such as artificial intelligence, machine learning, blockchain, and quantum computing are redefining the future of computing and beyond. This conference provides a platform for researchers, professionals, and academicians to present groundbreaking research, share insights, and engage in discussions that will shape the trajectory of technological advancements. By fostering collaboration and knowledge exchange, the event aims to drive innovation, address current challenges, and explore new opportunities in the tech landscape, ultimately paving the way for sustainable technological growth. As India embraces these emerging technologies, the country is witnessing rapid progress in key sectors like healthcare, agriculture, finance, and manufacturing, driven by innovations in AI, data analytics, IoT, and 5G. Government initiatives like Digital India, the National AI Strategy, and the Smart Cities Mission have created an environment ripe for technological growth and experimentation. The conference offers a unique opportunity to showcase India's strides in wide areas of emerging technologies and computing, while also addressing challenges related to cybersecurity, digital infrastructure, and ethical considerations. By bringing together researchers, professionals, and industry leaders, the event aims to accelerate India's technological progress and contribute to the ongoing revolution in computing and innovation across various industries.

## CONFERENCE TRACKS

- Track 1 - Artificial Intelligence & Machine Learning
- Track 2 - Big data and Data Analytics
- Track 3 - Information and Cyber security
- Track 4 - Edge and Cloud computing
- Track 5 - Embedded systems and IOT
- Track 6 - Robotics and Drone Technologies
- Track 7 - Multidisciplinary

## KEY ADVANTAGES FOR PARTICIPANTS OF ICETC 2025

- Present your research papers, articles to receive valuable feedback from peers and experts.
- Learn and appreciate the new trends in STEM from the peer presentations.
- Benefit from the publication opportunity in the conference proceedings and edited book.
- Compete for the best paper award in each track.
- Receive a certificate of participation.

## Registration Fee

Category	Early Bird (15 <sup>th</sup> -30 <sup>th</sup> November, 2024)		Regular (1 <sup>st</sup> - 31 <sup>st</sup> December, 2024)	
	Registration Fee (INR)	Registration Fee(\$)	Registration Fee (INR)	Registration Fee(\$)
Faculty/Research Scholars	Rs1000	USD100	Rs1500	USD150
PG Student Presenter	Rs700	USD75	Rs1000	USD100
UG Student Presenter	Rs500	USD50	Rs700	USD75
UG/PG Student Participant	Rs200	USD25	Rs300	USD50

## Paper Submission Timeline

<b>Last Date for Full Length Paper Submission</b>	<b>15<sup>th</sup> December 2024</b>
<b>Intimation of Acceptance</b>	<b>25<sup>th</sup> December 2024</b>
<b>Submission of Camera Ready Paper &amp; Last Date for Registration of Accepted Papers</b>	<b>30<sup>th</sup> December 2024</b>

You are cordially invited to submit your Full-Length Paper to <https://www.journalpressindia.com/website/pccoer-icetc2025#paper>. Accepted conference papers will be published in the official Conference Proceedings. Additionally, selected high-quality papers will be included in an edited book, complete with ISBN and DOI. The registration fee covers a conference kit, lunch, and coffee/tea breaks throughout the event.

**Journal Press India (Conference and Publication Partner)**
