improvement is observed in First Semester result as compared to previous result of PCCOE&R. HOD presented quality wise result also in which she told 26.22% student scored more than nine pointers and 64% student passed either in first division or distinction. The committee appreciated the F.E. results and congratulated the HOD & F.E. team.

Computer Engineering HOD Asst. Prof. Mahendra Salunke put forth the Computer department result year wise. He told the committee that the results of PCCoE&R are among top few Colleges in the University.

Shri V. S. Kalbhor sir inquired about Final Year results and placement of the students. HOD told that final year result is 75% and around 35 students out of 65 have been placed till date.

Mechanical Engineering HOD Asst. Prof. Sham Mankar put forth the Mechanical Engineering department result year wise. Smt. Padmatai Bhosale inquired about overall University result. She also suggested to compare result with good Colleges including PCCOE and that can be benchmark for the College. Dr. Pandit Shelke also suggested to compare result with University result. HOD explained the difficulty to get University Results and told that we are already comparing Results with other College Results.

Dr. A. M. Fulambarkar sir suggested to put up target of 90% all clear for final year result so that final year result can further be improved. Asst. Prof. Sham Mankar told that placement of Mechanical Engineering is less and we are trying for more companies for better opportunity for our students.

Civil Engineering HOD Asst. Prof. Mayura Yeole put forth the Civil Engineering department result year wise. Shri V. S. Kalbhor sir asked about less result of Second Year. HOD Asst. Prof. Mayura Yeole told the reasons behind the less result. She told the committee that quality of Intake to Civil Engineering is less and student entered S.E. with backlogs of F.E. HOD Civil also told that first sem B.E. results are top in the UOP.

Dr. A. M. Fulambarkar sir congratulated HOD and faculty of Civil Engineering department for the top result of Final Year Engineering in Savitribai Phule Pune University.

E&TC Engineering HOD Asst. Prof. C.A. Bhavsar put forth the E&TC Engineering department result year wise. Shri S.D. Garade sir told that we are expecting 100% result of Final Year students. He told that faculty of E &TC is taking efforts and because of that the results are good and are at par with other good Colleges.

Principal summarized the First sem University result he told that in a short time of around 3 & half years PCCOE&R has made its mark by producing University results which are

among top five in almost all departments specially F.E. results. Principal told the committee that all HODs and faculty members are putting maximum efforts and because of that the results are good, all committee members appreciated the Principal and his team for their efforts.

4. Review of placement till date –

Training & Placement officer Asst. Prof. Shridhar Sharanappa put forth the highlights of T&P Cell activities. He also told about the International Placement of 'Ms. Anjali Teke' from Computer department placed at Tokyo, Japan with package Rs.17 lacs. He further told that two of our students are selected for Internship in USA. All members appreciated the efforts taken by Principal, TPO, all faculty members and students.

TPO Mr. Shridhar Sharanappa put forth the list of placed students and explained the off campus drives are very useful for publicity and relationship development with companies. He told that 120 students have been placed this Year. Principal told that we all are working on at least 60% placement and also working on non eligible students.

Shri. V.S. Kalbhor sir inquired about the foreign languages and asked whether the agencies support in placement. TPO explained that foreign languages and soft skill classes are really play a major role in placement.

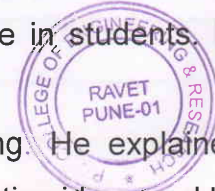

5. To discuss Research & Development activities -

Principal Dr. H. U. Tiwari put forth the activities, initiatives and achievement under Research and Innovation head. He explained how PCCOE&R is taking extra efforts to develop the element 'Research' which is in the College name itself. Principal told the committee that we are following a twofold approach of promoting Research culture among the students as well as faculties. He further told that the students and faculties are doing internship in various companies to search for projects and to understand requirement of Industries.

Smt. Padmatai Bhosale asked whether faculties and students find the companies themselves for training. Principal told that the students and faculties finding companies for training using their personal contact and T&P Cell is also helping in finding companies.

Principal told the committee that Project Based Learning (PBL) is being promoted in the Institute to inculcate self learning and Innovation attitude in students. He further told the committee that Dr. Mapari will further elaborate PBL.

Dr. Rahul Mapari explained the Project Based Learning. He explained that PBL gives Platform for students to explore and executes their innovative ideas and learning by doing.
