## **Report on Tree Plantation Activity**

### **Participants**

National Service Scheme (NSS) Volunteers

Pimpri Chinchwad College of Engineering and Research (PCCOER)

### **Nature of Activity**

Tree Plantation Activity

### **Venue**

Malegaon, Andar Maval, Pune

### **Date**

31<sup>st</sup> July 2026

### **Academic Year**

2026–27

## **Introduction**

The National Service Scheme (NSS) Unit A-112 organized a Tree Plantation Programme at Malegaon, Andar Maval on 31st July 2026 to promote environmental conservation and sustainable development. The programme aimed to create awareness about the importance of increasing green cover, conserving biodiversity and encouraging students to actively participate in environmental protection through community service.

## **Objectives of the Activity**

- To promote environmental awareness and the importance of afforestation.
- To encourage NSS volunteers to actively participate in environmental conservation initiatives.
- To contribute towards increasing green cover by planting native tree saplings.
- To instill a sense of social responsibility and environmental stewardship among students.
- To strengthen collaboration between the institution, NSS volunteers and the local community for sustainable development.

## **Programme Highlights**

- Volunteers assembled at the college campus and commenced the journey to Malegaon, Andar Maval. A group photograph was taken before the departure to mark the beginning of the programme.
- Upon reaching the village, the NSS Programme Officer briefed the volunteers about the objectives of the activity and the importance of environmental conservation.

- Tree plantation was carried out in the premises of the village school, where volunteers planted native tree saplings to enhance the green cover and support long-term ecological sustainability.
- Volunteers observed the rich natural vegetation surrounding the village and discussed the importance of preserving native plant species and local biodiversity.
- A plastic waste cleanliness drive was conducted in and around the school campus and nearby public areas to promote a clean and healthy environment.
- NSS volunteers interacted with villagers and school representatives, creating awareness about tree conservation, proper care of saplings and the need to reduce plastic pollution.
- The programme concluded with an environmental pledge, where all participants reaffirmed their commitment to protecting nature, conserving resources and promoting sustainable practices.
- The activity ended with a vote of thanks followed by a group photograph with the volunteers, faculty members and local community representatives.

### **Social Impact**

- Increased awareness among students and the local community regarding environmental conservation and climate change mitigation.
- Enhanced green cover through the plantation of native tree species.
- Fostered a sense of responsibility, teamwork and environmental stewardship among NSS volunteers.
- Strengthened the partnership between PCCOER NSS Unit and the local community through a meaningful environmental initiative.

- Inspired students to actively participate in future sustainability and community development programmes in line with the NSS motto, "Not Me But You."
