📌 GROUP NO.1 Topic: GROUP NO.1-
***Can power players end the Global Covid Vaccine inequity?***
https://meet.google.com/xda-kdwj-yyq

📌 GROUP NO.2 Topic: ***Will the US be able to justify its decision of withdrawing their troops from Afghanistan?***
https://meet.google.com/pok-fxyr-jke

📌 GROUP NO.3 Topic: *Is **Indian Democracy a true democracy or is it a monarchy**?*
https://meet.google.com/zim-cyqi-uke

The topics were discussed with numerous current affairs to bring students closer to the changing situation during a pandemic. The discussion enhanced analytical skills of students and grew their leadership skills by deciding various opportunities and solutions to overcome a situation. It included their views on the lockdown in a positive way. The purpose of an online discussion was to make the individuals confident with an ability to speak fearlessly on topics concerned with the changing scenario owing to the Pandemic.

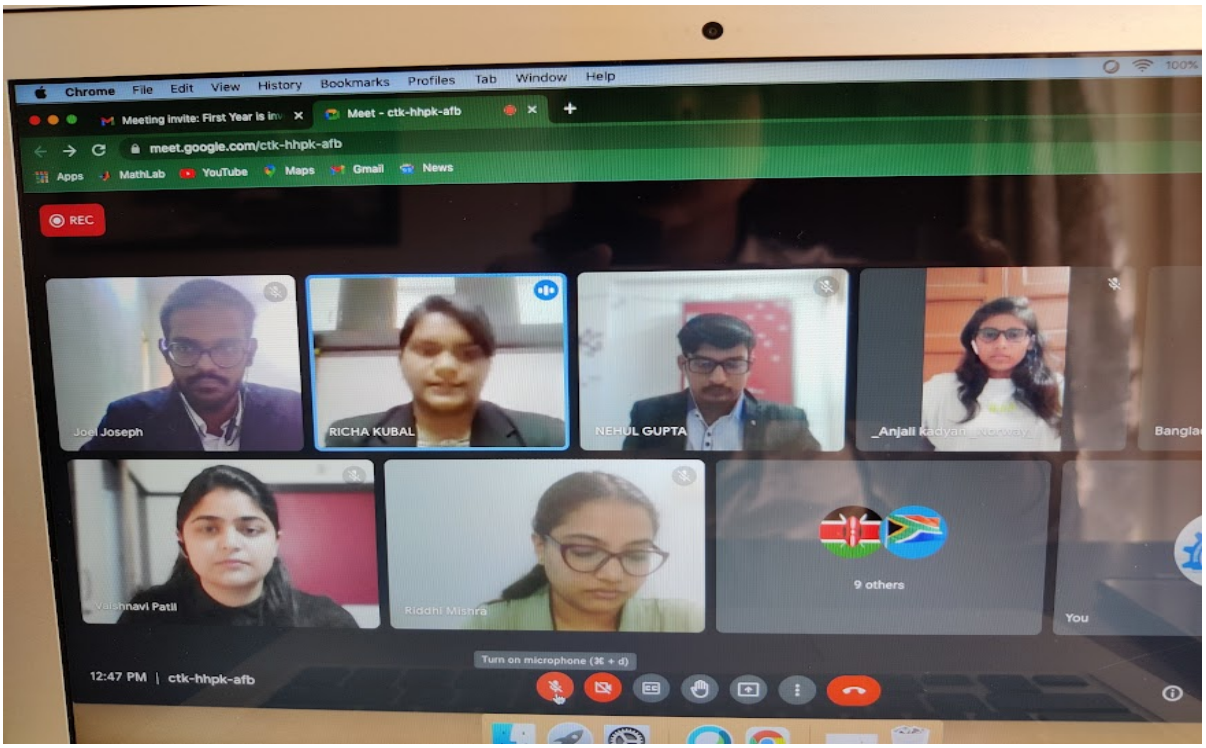
**Event Photographs:**



**Freshers Voice- An Open Mic for the First year students**

An Open Mic was held for the First-year Engineering students on March 12, 2022. The objective was to provide a platform to express. There were poems, speeches on Artificial Intelligence and technology and songs sung with instruments by the participants. Mahesh drew a caricature in less than two minutes making the program an interesting one. Shreyas set the event rolling with his melodious Gulabi Ankhae accompanied by chords on his guitar.The program brought alive the students who recited poems, and sang songs.

The event enhanced people skills and brought the students of all the First-year sections closer. It helped one grow confident with an ability to speak fearlessly on topics concerned with the beliefs and values during this celebration.
**Venue :** Google Meet Online

**Date : March 12, 2022**

**Number of students attended: 100**
